

# Unable to Use Date Range in Search Fields

## Issue:

Users are unable to use a date range (<From Date>: <To Date>) in date search fields throughout WITS.

**Claim Item Search**

Plan	<input type="text"/>	Group Enrollment	<input type="text"/>	ENC ID	<input type="text"/>
Client First Name	<input type="text"/>	Client Last Name	<input type="text"/>	Charge	<input type="text"/>
Subscriber/Resp Party First Name	<input type="text"/>	S/R Party Last Name	<input type="text"/>	Service	<input type="text"/>
Subscriber/Resp Party Account #	<input type="text"/>	Rendering Staff	<input type="text"/>	Service Date	1/1/16:1/7/16
Authorization #	<input type="text"/>	Facility	<input type="text"/>		
Item Status	Released				
FFS Type	<input type="text"/>				
Add-On Level	<input type="text"/>				

**Administrative Actions**

## Work Around:

While users are not able to enter a date range into search fields, they are still able to use the greater then and less then (>, <) symbols to select more then on date on a list.
